

## Comments from Teachers and Students

*"I am just writing to say how much I enjoyed the lesson I had in the GSUS LIVE trailer. I have had a great time and wish it would come more often. I know that the rest of my class enjoyed it too."*

*"From the Department's point of view it was an exciting opportunity to deliver Christian teachings in a different way. As well as being entertaining for the students, it was educationally beneficial and challenged them to think for themselves on a range of key issues."*

**Head of RE  
Torquay**

*"I learnt that being rejected, or feeling fear, or even wanting forgiveness is a very important thing to me."*

*"Virtually everyone who visited us was bowled over by the sheer impact and scale of the exhibition. Teachers and students greeted the way that the message was delivered in such a non-confrontational way as a great educational success."*
